

M Vishwas

SDE Intern Aspirant

vishwasvarma05@gmail.com | [LinkedIn](#) | [GitHub](#) | +91 8008562679

SKILLS

Languages: Python, Java, JavaScript, SQL

Development: React, Node.js, Flask

Databases: MySQL, PostgreSQL

Tools: Docker, Git, GitHub Actions, Linux

Competitive Programming & Data Structures and Algorithms:

Solved **200+ problems** on [LeetCode](#) and **30+ problems** on [Codeforces](#) With python
Ratings: LeetCode **1429**, Codeforces **863**

Soft Skills: Communication, Problem Solving

PROJECT EXPERIENCE

RESUME SCREENING SYSTEM | [GitHub](#) | [LiveApp](#)

Feb 2026

- Built a full-stack application using React and Flask enabling automated resume screening
- Implemented job description parsing and resume analysis with skill matching and scoring
- Built features to classify candidates as Shortlisted, Rejected, or Review Later
- Designed UI for uploading job descriptions, resumes, and viewing results
- Deployed the full-stack application on Vercel and Render

Tech Stack: React, Flask, Python, AI-based Text Analysis

TICKET AUTO RESOLUTION SYSTEM | [GitHub Repo](#)

Apr 2026

- Developed React frontend and integrated it with backend APIs
- Integrated PostgreSQL database for storing tickets and responses
- Designed UI for ticket submission and response display
- Deployed using Docker containers
- Configured CI/CD using GitHub Actions

Tech Stack: React, Docker, GitHub Actions, PostgreSQL

EDUCATION

GITAM University, Bengaluru

2023 – Present

B. Tech in Computer Science and Engineering (CGPA – 9.17)

Relevant Coursework: Data Structures and Algorithms, Object-Oriented Programming (OOP)
